Field reference

The following fields are currently included in the database.

Field name	Description	Data type	Notes
Date received	The date the CFPB received the complaint	date & time	
Product	The type of product the consumer identified in the complaint	plain text	This field is a categorical variable.
Sub-product	The type of sub-product the consumer identified in the complaint	plain text	This field is a categorical variable. Not all Products have Sub-products.
Issue	The issue the consumer identified in the complaint	plain text	This field is a categorical variable. Possible values are dependent on Product. This field is a categorical variable.
Sub-issue	The sub-issue the consumer identified in the complaint	plain text	Possible values are dependent on product and issue. Not all Issues have corresponding Sub-issues.

Field name	Description	Data type	Notes
Consumer complaint narrative	Consumer complaint narrative is the consumer-submitted description of "what happened" from the complaint. Consumers must opt-in to share their narrative. We will not publish the narrative unless the consumer consents, and consumers can opt-out at any time. The CFPB takes reasonable steps to scrub personal information from each complaint that could be used to identify the consumer.	plain text	Consumers' descriptions of what happened are included if consumers consent to publishing the description and after we take steps to remove personal information.
Company public response	The company's optional, public-facing response to a consumer's complaint. Companies can choose to select a response from a pre-set list of options that will be posted on the public database. For example, "Company believes complaint is the result of an isolated error."	plain text	Companies' public-facing responses to complaints are included if companies choose to publish one. Companies may select a public response from a set list of options as soon as they respond to the complaint, but no later than 180 days after the complaint was sent to the company for response.
Company	The complaint is about this company	plain text	This field is a categorical variable.
State	The state of the mailing address provided by the consumer	plain text	This field is a categorical variable.
ZIP code	The mailing ZIP code provided by the consumer	plain text	The mailing ZIP code provided by the consumer. The 5-digit United States Postal Service ZIP code will be published where provided unless the consumer lived in a ZIP code aligned to a United States Census Bureau ZIP Code Tabulation Area (ZCTA) with fewer than 20,000 people and consented to publication of their complaint narrative. In those cases, where the Census ZCTA had fewer than 20,000 people, the 3-digit ZIP code will be published if the 3-digit ZCTA has more than 20,000 people. Otherwise, no ZIP code will be published.

Field name	Description	Data type	Notes
	Data that supports easier searching and sorting of complaints submitted by or on behalf of consumers.		
Tags	For example, complaints where the submitter reports the age of the consumer as 62 years or older are tagged, 'Older American.' Complaints submitted by or on behalf of a servicemember or the spouse or dependent of a servicemember are tagged, 'Servicemember.' Servicemember includes anyone who is active duty, National Guard, or Reservist, as well as anyone who previously served and is a Veteran or retiree.	plain text	
Submitted via	How the complaint was submitted to the CFPB	plain text	This field is a categorical variable.
Date sent to company	The date the CFPB sent the complaint to the company	date & time	
Company response to consumer	This is how the company responded. For example, "Closed with explanation."	plain text	This field is a categorical variable.
Timely response?	Whether the company gave a timely response	plain text	yes/no
Complaint ID	The unique identification number for a complaint	number
